

19:11:15 From Aaron Silver : it was really fun!

19:14:27 From Heather Flint Chatto : Our draft Land Acknowledgement is on the PDX Website here along with other resources to take action to support Indigenous Communities. <https://richmondpx.org/landacknowledgement>

19:40:42 From Sami Kaye : I agree Rob. I do not want my vote disbursed elsewhere.

19:40:57 From Andrew Speer : <https://www.koin.com/news/charter-reform/explainer-how-would-ranked-choice-voting-work-in-portland/>

19:41:32 From Andrew Speer : I wanted to share this video as a good example of RCV

19:52:46 From Robert Pineda : that's a big assertion. any data to support that?

19:53:05 From Robert Pineda : that ranked choice voting will lead to lower voter participation?

19:57:00 From Chris Eykamp : can we get an answer to my question about how recalls work? thanks!

19:57:39 From Vadim Mozyrsky : Chris: This would not change the process for recall elections.

19:58:01 From Vadim Mozyrsky : At least that was never discussed at the Charter Commission meetings.

19:59:32 From Chris Eykamp : thanks Debbie

20:05:55 From Linda Ralley : It's not clear what the advantages of the proposed voting scheme it over the traditional ranked voting scheme in which the person with the least number of first place votes is eliminated and has her/his 2nd place votes distributed among the remaining candidates. Can someone provide more clarity?

20:07:20 From Sami Kaye : RIGht, because malta is nothing like Portland. In a comparable region, it might make sense to use that reference.

20:07:21 From Andrew Speer : Given the time, I think it would be helpful to view that video I placed in the chat. The video goes into an example in more detail with the transfer of votes

20:08:48 From Heather Flint Chatto : I had similar concerns and questions as John Laursen. Is there an opportunity to piece out the parts for public decisionmaking

20:18:08 From Vadim Mozyrsky : [vadim@www.commonsensegovpdx.com](mailto:vadim@www.commonsensegovpdx.com)

20:18:16 From Chris Eykamp : I have grave concerns about simplicity and transparency in this era of delegitimizing elections. If voters get confused about how an electoral result was arrived at, it's a big problem.

20:18:25 From Robert Pineda : thanks!

20:18:29 From Vadim Mozyrsky : [vadim@commonsensegovpdx.com](mailto:vadim@commonsensegovpdx.com)

20:19:04 From John Laursen : Thank you for hosting this discussion!

20:19:57 From Linda Nettekoven : Thanks so much for organizing this discussion.

20:32:12 From Aaron Silver : Thank you for hosting the meeting. Really appreciated the discussion and look forward to seeing you all around the neighborhood!

20:33:00 From Allen Field : we have until 8:45 for this
