Hello,

Now that our new board and officers are in place, this is a great moment to take a step back and think about what we want to do next with the Richmond Neighborhood Association.

As such, our September Meeting will be focused on how we move forward.

- How can we reach more of the neighborhood?
- What things should we start, stop, or continue doing?
- How can we create a more-relevant organization?
- How do we want to pursue creating a more inclusive neighborhood for all?

These questions and more are what we're going to tackle in our upcoming meeting. While we might not have an answer by the end of it, the goal is to determine what are the initiatives we want to focus on in the upcoming year and the immediate next steps to work towards those initiatives.

I look forward to working with our neighborhood to achieve these goals.  
And later this week I'll send out a questionnaire to help us seed more ideas.

Looking forward to moving forward,  
Matt Otis
